In Memoriam

*The memory:
A happy one
like leaving an afterglow
of smiles when life is done,*

*Like leaving an echo
whispering softly down the ways
Of happy times and laughing
times
and bright and sunny days.*

*The tears of those who grieve
Should dry before the sun
Of happy memories that we've left
when life is done.*

10.

Going into the Homecoming game, the Bulldogs were thinking about finally ending their 7 year Homecoming loss record and they did just that. After a quiet first half of only scoring six points to New Haven's 12, the Bulldogs came fighting back, not giving New Haven a bit of a chance to score, and they went on to win 24-6. So Seniors went out with a BANG!!

Dedicated to the One We Love

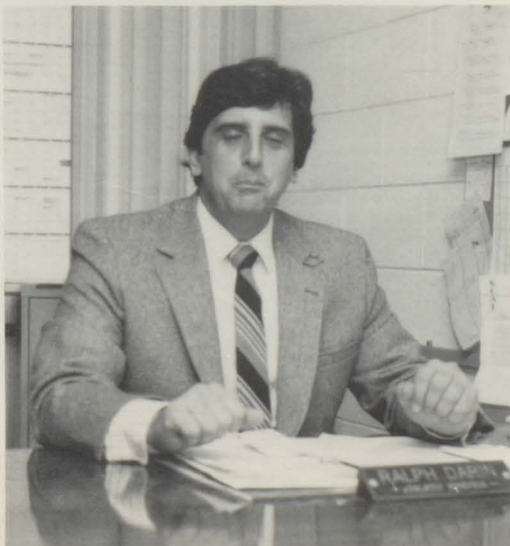

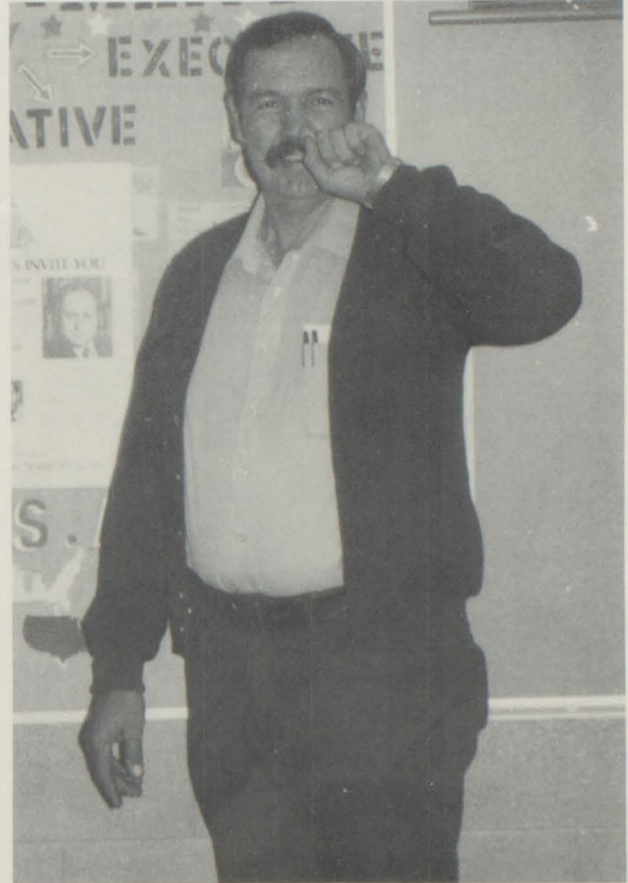

The 1983 Yearbook staff is honored to dedicate this yearbook to retiring Assistant Principal, Theodore M. Stine, Jr.

Mr. Stine has filled many positions in the Yale School District during his 36-year long career. He has taught in a one-room school house and in our larger and more modern Jr. High and High School. He has been principal, a teacher, and his current position, assistant Principal.

Even though Mr. Stine is a person of authority, he is very well liked among the students. He has a genuine caring and respect for the students and most of all, is willing to listen. He enjoys talking with the students; he feels that every person good or bad, right or wrong has something to say for you to learn from, and that life is a constant learning process. His philosophy is "You must be ten times Quicker to praise than to criticize." We will really miss Mr. Stine in the years to come, but we wish him the best of luck in his future.

The kinds of things memories are made of happen in our school activities. 1. You remember trying to kill each other in gym class. 2. You remember pep assemblies. 3. Spirit Week, when you could legitimately put make-up on in class. 4. And winning "pass it along" at Homecoming. 5. You remember science club trips that begin at 1 a.m. and end in Chicago. Look through this section to see what you may join.

¿Que Pasa Con el Club de Español?

This year's Spanish Club has about 40 members.

Our main goal has been to visit Mexico. The club has gone 3 times previously since Miss Sworthwood has been the advisor. The club usually goes every 4 years.

But because of the poor economy in Mexico and the rising costs of travel, we won't be going this year. Instead we are going to use some of our money for a party or for a trip to a nearby Mexican restaurant.

The Spanish Club usually meets about once a month after school.

This year, to raise money, we sold Love-A-Grams and M & M's. We also had a car wash before the prom; a dance; a slave sale and a bake sale.

Previously for fun the Spanish classes have learned The Mexican Hat Dance, and how to make Pinatas.

The Science Club Meetings usually consist of a business part and then a science experiment. The members then get a chance to work with the materials. This year, the Science Club has already visited Chicago twice, and they plan on going to Mammoth Caves, Fort Knox, and Toronto. They would also like to go to the MSU Engineering open house. Hopefully, this summer they will go out West to the Grand Canyon.

Student Council Provides Leadership

This years Student Council is led by President, Tami Begerowski; Vice President, Karen McClure; Secretary, Missy Liebler; Treasurer, Michele Capanda; and Parliamentarian, Tim Meharg. Student Council is made up of students picked by their classmates to provide help, and services to the school and the community. Some of the goals of the Student Council are to put on the Homecoming, the blood drive, the canned food drive, and a new program called Adopt a Grandparent. Also the Student Council put on the Christmas Assembly which was a real hit this year. Mr. Dewey sums up Student Council by saying that it is leadership, development, and community service, and he thinks the kids have reached these goals.

Yale Horsemanship Team

Rides to 2nd Place

Michigan Interscholastic Horse Association

There are a total of 17 classes the teams may enter at each meet. Classes range from four types of Saddle Seat Classes, four types of Hunt Seat Classes (including a Jumping Class) a Trail Class (consisting of various obstacles in a time limit of 3 minutes) to five timed Speed-event classes. Each class may have as many as 54 entries (riders) with up to 4 riders per school. The point system is — 1st place = 6 points, 2nd place = 5 points, 3rd place = 4 points, 4th place = 3 points, 5th place = 2 points, and 6th place = 1 point. Points are accumulated for each team according to placings of their riders (determined by a qualified judge) for three separate meets. There were four Districts in Michigan this season with a total of 533 riders. The first place (Champion) team of each District qualifies to compete at a State Championship meet.

Yale's Horsemanship team rose to a brilliant **second** place this 1982-83 season. The District II, Division B team competed against eight other teams this year which included:

Yale Puppeteers Perform for Elementary

The students at the Capac and Yale Elementary schools saw a puppet show put on by the Yale Puppeteers. The puppeteers and their director, Mr. Frank Johnson, visit area schools upon request and perform. The show was called, "Kids on the Block" and tells all about handicapped children. There are six puppets, and four are handicapped. This year the group put on a show for the Yale Area Business Council during the Christmas season.

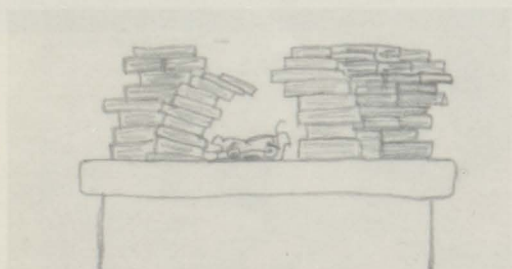

The Yale High School Puppeteers are from L. to R.: Ellen Schafer, Peggy Thomas, Carrie Schieble, Gilbert Thomas, Jeff Palmateer, Doug Nowicki, Bill Palmateer, Betty Johnson and Rose Harvey.

The National Honor Society is an Exclusive Club

The purpose of the Yale Chapter of the National Honor Society is to recognize those students that excel academically and are leaders in extra-curricular activities. The members donate their time as in-school tutors and plan a variety of field trips.

Back: Pat Brennan, Shelly Anspaugh, Tammy Bially, Kristy Edwards, Esther Fisher, Sherri Beschoner. Front: Mike Hillis, Kevin Witt, John Yurko, Joyce Hayward, Sandy Gilliam, Karen Meharg, Cindy Charney.

Missing: Lisa McLaughlin, Tami Begrowski, Lisa Kean, Kim Fecteau, Patsy Wilkie,
Karen McClure, Nancy Davidson, Deana Balla, Carla Poitra, Patty Sinka, Brenda Owens.

The F.H.A. members are a busy group with big plans. One of their projects last year was the repainting of the school restrooms — a very needed thing. This year they plan to refurbish the school court and something more unique, they plan to adopt grandparents (the area's elderly).

The one point of the F.H.A. wishes to stress is the importance of the home. To make more people aware, they are starting a series of articles in the Yale Expositor dealing with family relationship—parents/teenagers.

With officers president, Tina Mathews; Vice-president, Anna Whitson; Secretary, Cindy Balla; treasurer, Sherie Demary, and membership, they compete with other F.H.A. members from all over Michigan in marketing demonstrations, parliamentary procedures, and their demonstrations representing marriage and divorce. Lisa McLaughlin and Tina Mathews were Yale's voting delegates at the State Convention. Sheri Demary and Cindy Balla went for team demo-demonstrating the basics of marriage. They received 2nd place. This year the group is planning a trip to Fairlane Mansion and the State Convention. Who was chasing Sheri Demary at State — "Hey Blondie!"?

This year at Yale High, we have more exchange students than ever. Five students from all over the world. We all have something in common: We left our friends, and family for something completely new, and we all happened to end up here in Yale. I think I can say for sure that we all have had a good experience of our stay here. Maybe one of you would like to become an exchange student?

Please contact one of us; we would be happy to answer any question. Now, we would like to thank you all here at the High school for being part of making this year a wonderful memory.

G'day, I'm Kate from Australia. First of all I'd really love to thank everyone for making this year so enjoyable. It's something I'll remember for the rest of my life, and it has a lot to do with the wonderful people I met here. (and seeing proper snow!) I have travelled to many states while I've been here, and I have seen a fair bit of this wonderful country. Hopefully, one day soon I can come back to see you all again, but until then I have my yearbook and '83 memories.

Hei!

My name is Monica. I am a sixteen year old girl from Norway. During my stay here, I have been staying with the Robinson family. When I am in Norway, I live in a town 25 miles from Oslo, which is the Norwegian capital.

In my spare time, I enjoy horseback riding, playing the guitar, and playing European handball. I am a senior here in Yale, and I like it a lot. It is really a great experience to be an exchange student. I have learned so many new things here that I did not know about Americans.

I want to thank all of you here at Yale High, for making this year the most memorable in my life. I sure will miss you a lot.

Hejsan!

I am Louise (Weezy) from Sweden. I left Avesta, a town with about 26,000 inhabitants and came to Ruby with a couple of hundred. In spite of the big change to a new, American life, I can, without hesitation, say that this year has been the most exciting, educational and fun year I ever had. I am now a member of the McPhail/Stine family and together with them I have lived an American life in a way I couldn't have done if I came here as a tourist. I have also gone through a whole senior year at this school, an experience I always will remember. I am bringing a lot of wonderful memories back home and I would like to thank everyone for that!

Hola!

I am Cristina Montse Ramon from Ecuador. I have had a really good time here and I think that Americans are very friendly. I have been living with the Frenette-family. I love my family and I enjoy it a lot living with them. I have also been traveling quite a bit. For example, I went with the YFU organization to Washington, New York and Florida. I also went on trips with the Science club in their famous bus! Some time in the future I would like to come back and visit everyone again. I would like to thank everyone at school, especially Mr. Robinson who is the craziest teacher I ever had!

Hallo!

My name is Michael Raue and I am from Rheinberg, which is not far from Dusseldorf in West-Germany. I am staying with the Roy-family in Yale. I am really glad I got the chance to come over here and to see what it is like to live here, which gave me a totally different point of view of the American people.

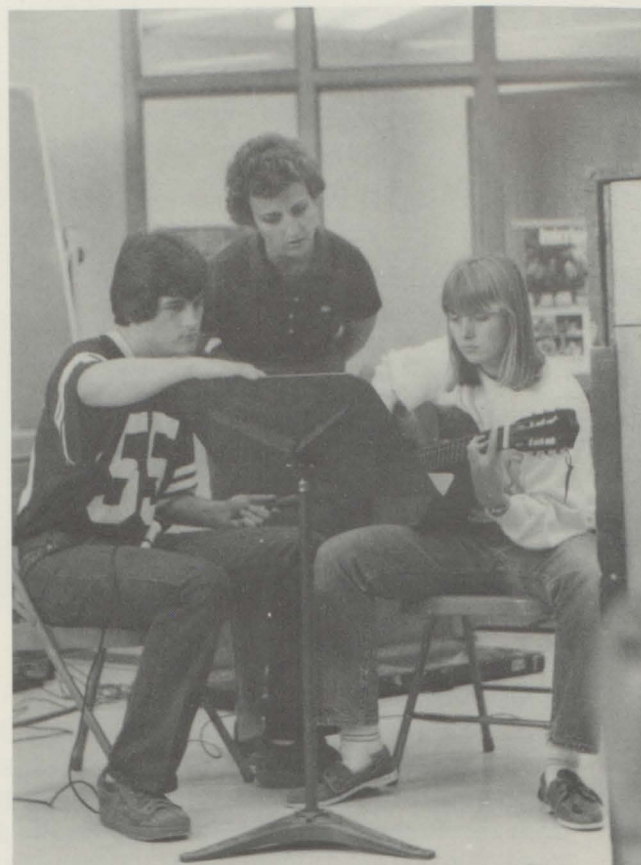

I got to see quite a bit of Michigan, and I also went to Colorado over Christmas. After I come back to Germany, I will have another two years of school to go and then 16 months of Civil Service or Army. After that I will probably study something somewhere. My year here has been a real experience.

Thank you!

They also put on the talent show in which the whole school may perform. The choir class also sold candy this year to raise money to buy their t-shirts. When the choir class isn't performing, they are practicing to perform.

Putting together the 1983 Bulldog was both hard work and fun. Everyone was assigned different tasks but we all ended up helping each other as we neared the deadline. All sold ads and the area businessmen were very supportive.

Editors were: Jackie, editor-in-chief; assistant editor, Cindy Kaltz; art, Teri Antrim; typing, Kim Fecteau, Sue Ann Lange; advertising, Lori Gall; business, Theresa Shultz; Sports, Barb Brown; teachers, Louise Von Matern; photography, Kate Brown, Donna Holsworth, Sutton Kaercher and Lisa Kettlewell; Seniors, Cindy Kaltz and Jackie Click; Juniors, Dori Trupp, Theresa Clark; Sophomores, Carolyn Wilt; Freshmen, Tina Butain, Vicki Hernandez.

The yearbook cost \$6,700 to make this year. Photographs, by Marions - Book by Graphic Creators. A big HOORAY for the local businessmen who offset the cost of the book by purchasing ads.

The 1982 boy's baseball team enjoyed their usual successful season ending with a record of 21-10 overall and 9-5 in the league. The leading hitter on the team was Dan Keegan with an average of .404. John Kean had the best pitching record of 7 wins 4 losses and was followed closely by Jim Keegan with a record of 6 wins and 2 losses. Many of the men on the team showed outstanding qualities and were chosen on the all league team. John Walsh made first team while Dan Keegan and Mark Lauzon made second team. (these guys may be the Al Kalines and George Bretts of the future ... would you believe the Dave Rozemas of last year?)

The J.V. baseball team had a good season in 1982. They ended with a record of 14-10 overall and 8-2 in the league. The team was divided between 8 sophomores and 7 freshman. Co-Captains on the team were Larry Cowhy and Ron Charney. The team showed a lot of aggressiveness and a lot of potential for the future ... Look out Varsity.

Mr. Robinson thinks Yale will have one of the strongest offensive and defensive teams in the area. The only problem may be pitching. If it comes through the team will be great, if not they may have problems.

Last year's team won the S.T.A. Championship and The Yale Invitational. The team graduated 6 seniors.

This year's league format will be single games, with each team playing at home once unlike last year when all games were doubleheaders.

The goal for this year's team is to win the S.T.A. again and the Yale Invitational which will hopefully have more teams.

All the squads sparkled with spirit and enthusiasm. The Cheerleaders are a group of girls who really care about school spirit and pride, and show it by making posters, putting on a terrific Homecoming assembly, making fantastic pep notes for the players, and running all pep assemblies. The squads also sold around 260 Bulldog jackets to members of our school and people around the community. The Cheerleaders would like to thank the guys and all the fans for a terrific year.

This year's Varsity Football team showed that the Bulldogs are Winners! Our guys gave it their all and came out with a winning (5-3) season. The Bulldogs played hard games and won against, Brown City, Dryden, Capac, New Haven, and Peck. The only losses were to top ranked Armada, non-league St. Clair, and S.T.A. Champ, Almont. This year's greatest Victory was against New Haven. Our '82 Bulldogs have the bragging rites to the first Homecoming Victory in six years!

Overall Yale ended up tied for second place in the S.T.A. with Armada, and ninth place in the Blue Water Area Coaches Poll. Good Job Guy's!!!

Varsity Football

4.

Yale understands the real meaning of CHARGE.

This year the Bulldogs had 3 outstanding players that were named captains, this honor went to Ken Peltier, Bryan Goulding, John Walker.

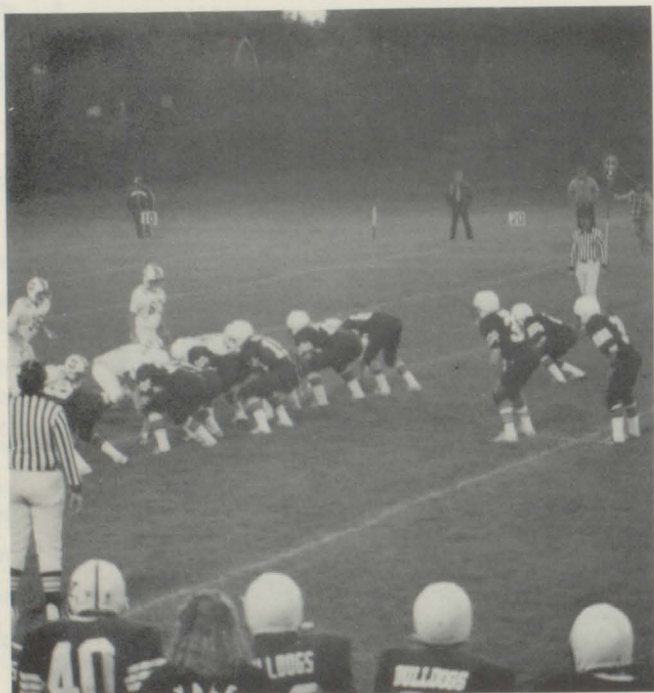

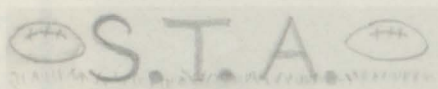

5.

This year's J.V. Football team had a winning streak of 5-3. Their tri-captains were sophomores; Pat Hayes, Clark Edgerton, and Tim Meharg. The Bulldogs had some very outstanding players to work with as the opposing team soon found out. Among the leaders were Steve Bond as quarterback; outstanding pass receiver, Clark Edgerton; defensive standouts were Paul Klocke, Jeff Ferrier, Clark Edgerton and Greg Harrington; outstanding defensive linebackers were Pat Klause and Tim Meharg who was the leading rusher with over 600 yards. The Junior Varsity showed some excellent talent and team pride. We are looking forward to seeing many of them on the Varsity team next year. Hat's off to the J.V. Bulldogs!!!

They have been doing their routines at the home-basketball games, and they also went with both boy's and girl's basketball to the Silverdome.

They have been coached under Sally Styles since they tried out in October.

The Year of the Winners

Yale's '83 varsity team is our winningest team ever, winning more games for the season than any other Yale team in history and the most league games ever won. The games have been exciting, crowd pleasing, and fast-breaking. The team has a strong rebounding record and many good shooters. The cagers broke records in assists, charges taken, and steals. They tied the school record at 87 for most points scored in a game. Yale's 15-5 season record (11-3 league) puts us in a 2nd place tie with Capac in the S.T.A. league.

Pictured are: 1. Scott Decker hits for 2. 2. Derrick on a fast break. 3. Team. 4. Senior players. 5. Coach; Don Robinson, explaining a foul to the ref. 6. Derrick proves that basketball is not a pansy sport. 7. Bill Mackey tips one in. 8. Co-captain, Robert Thompson makes 2 and draws a foul. 9. John Munro up and in!

The J.V. basketball team had another super year, bringing Yale their 2nd S.T.A. Championship in 2 years. They won 17 games and lost only 3. Their league record was 12-2. This was a definite improvement over last year's 2-9 record. It looks like Yale will have a strong basketball program for a few years to come. Paul Klocke and Clark Edgerton were elected co-captains. Dan Keegan was the leading scorer.

1. Captain and leading scorer, Steve Bond sinks two. 2. 1982-83 Freshmen team. 3. Steve McKeon shoots for two over the heads of Almont defenders. 4. Freshmen Coach Nofs is no Freshmen. He has coached girl's basketball and Freshmen boys for 5 years.

The girls basketball team had a fun season this year, even though it wasn't a winning season. The record was 7-14 over all and the league record was 6-8. The highlight of the season was playing at the Pontiac Silverdome. The evening was exciting even though the girls lost to Memphis in overtime. But they went to breakfast the next day anyway... The only problem was they forgot to tell Dr. Harrington; Oh well, we can't all be perfect.

The season was spotted with just a couple of injuries. Dori Trupp decided she wanted the rebound more than the Dryden girl and put herself on crutches for 6 weeks, or when Karen Meharg was plowed over by a Marysville girl during the last minute of the last game, and tore ligaments in her knee.

Theresa Clark was awarded Most Valuable Player with a 12 pt. average. She was ranked 14th in the area in scoring, and received the Bill Bears award. Jackie Click and Mary Hyde received Co-Captain awards and Diane Kettlewell and Shannon Clement were given coaches awards. Mary Hyde was chosen to 2nd team all league and Theresa Clark and Jackie Click received Honorable Mention awards.

If there's one thing our school is not lacking, it has to be spirit! There's always much activity at our Pep assemblies and in our halls. The cheerleaders lead everyone at Pep assemblies to get things rowdy. The Rah-Rah girls shake those Pom-Poms and we all cheer. Pep assemblies, parades, games, hall contests, spirit contests, competition yells, fun! spirit!

When you look for a bank to begin handling your accounts you should ask for experience, too.
